### ABOUT

Ever since our little guy was born we've made it our mission to see and do as many things as possible with him before he grows up. This love of family friendly activities and adventure is what inspired, Travels with Tots, our social media account that focuses on tips, ideas and suggestions for traveling & activities with kids.

### OUR STYLE

The Travels with Tots style is very real and unfiltered. Our pictures and videos are candid but our content is concise. We approach everything from the mindset of a busy parent and strive to be relevant, easy to grasp & bite sized.

### EXPERIENCE

Sara has been a writer & creative director specializing in kids and family entertainment for the past decade. Her company, WhirlyGig Creative Inc., has been responsible for countless commercials including Shopkins, Little Live Pets and Fujifilm Instax. Sara has also been featured on Canadian TV as a Family Travel Expert.

### WHAT WE OFFER

Our goal is to help brands, activities & places we love get in front of families so they too can enjoy them. We do this via tips & tricks posts both using static images and videos as we understand not everyone likes to consume content in the same way. We always create a plan that best fits the need of the brand for maximum exposure.
